International Exhibition Contractor

ABOUT THE COMPANY

As an expert in exhibition construction, PT Cityneon Prima Mandiri offers a wide range of interconnected services to elite professional companies. We explore viable options to meet your unique requirements and empower you to achieve your goals by aligning with your company's vision, mission, and objectives.

COMPANY VALUES

Reliability

Reliability is one of our key competitive advantages when presenting your products and brands in the most captivating way. Our extensive experience in exhibition construction, combined with innovative design and technical expertise, makes us a reliable and professional team.

Creative & Design Ability

We focus on delivering creative, high-quality designs, including exclusive solutions upon customer request. Our work procedures, craftsmanship, and the application of the latest technology adhere to the company's high standards to meet customer expectations. We generate artistic innovations to attract and engage visitors, translating dreams into tangible realities.

Technology & Infrastructure

With over 300 skilled employees, our specialized team excels in exhibition construction globally, particularly in Asia and Europe. Headquartered in Jakarta, our business operates 24/7, equipped with the latest machinery in a 10,000 m² workshop. We offer a variety of solutions, incorporating the latest technology, to professionally meet your exhibition needs with a personal touch.

OUR HISTORY

PT CITYNEON PRIMA MANDIRI WAS FOUNDED IN 1986, AND HAS GAINED THE REPUTATION AS A FORERUNNER IN THE EXHIBITION CONSTRUCTION INDUSTRY IN INDONESIA.

With almost 40 years of international exposure, we serve diverse industries and markets globally and locally. As the saying goes, "Experience is the Best Teacher," we strive for excellence in our craft, consistently surpassing our clients' expectations over the years.
